**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small residential building owner who supports broadband competition. The large companies are charging an arm and a leg for their service. They are ripping the consumer off. I cut the cable cord and want to be sure all Americans have the opportunity to receive a good service at reasonable prices. I have Sonic fiber and their service and quality are amazing!
